

# Leam Catchment Farmer projects and funding event

*Find out about funding and projects in your area including natural flood management, biodiversity net gain, tree planting and government schemes.*

*If you're interested in any of the opportunities and want to find out more, please speak to the organisation on their stand.*

## Warwickshire Rural Hub

**Helping Farming and rural businesses to prosper in Warwickshire.**

The Rural Hub helps farm and rural businesses to develop into innovative, profitable and market-led enterprises. It supports the facilitation of Warwickshire's Sustainable Farming Groups.

[info@ruralhub.org.uk](mailto:info@ruralhub.org.uk)

**Warwickshire  
Wildlife Trust**

## Farm and Wildlife Advice Service

Agri-environment scheme application service. Habitat management advice and surveys, whole farm plans and help accessing pots of funding.

Sally Eadon- [land.advice@wkwt.org.uk](mailto:land.advice@wkwt.org.uk)

**TNS** | Trust  
Nature  
Services

## Trust Nature Services

A new service to help with planning, modelling and delivering Biodiversity Net Gain projects.

[Karl.Curtis@wkwt.org.uk](mailto:Karl.Curtis@wkwt.org.uk)

## Severn Rivers Trust

The **Severn Woodland Scheme** available to landowners in the Severn catchment, covers capital and maintenance costs.

[Imogen.rutter@severnriverstrust.com](mailto:Imogen.rutter@severnriverstrust.com)

**Water Environment Improvement Fund (WEIF)** can fund capital works which catch sediment run-off.

[Imogen.rutter@severnriverstrust.com](mailto:Imogen.rutter@severnriverstrust.com)

**Biodiversity Net Gain Services** to help with planning and implementing BNG projects.

[lloyd.cockram@severnriverstrust.com](mailto:lloyd.cockram@severnriverstrust.com)

## Severn Trent Environmental Protection Schemes (STEPS)

Agricultural Advisors for the Avon & Leam catchment will be able to advise on Severn Trent funded Agricultural schemes that are running in the catchment.

[marion.perrett-pearson@severntrent.co.uk](mailto:marion.perrett-pearson@severntrent.co.uk)

[peter.bowman@severntrent.co.uk](mailto:peter.bowman@severntrent.co.uk)

**Dunsmore  
Living  
Landscape**

## Dunsmore Living Landscape

Long term project in the Dunsmore area aiming to restore nature in the area. Previous delivery includes to restore/plant new hedgerows, wildflower areas, ponds and tree planting. [www.exploredunsmore.org](http://www.exploredunsmore.org)

**JRH Water Management**  
Removing the reliance of  
mains water in agriculture.

Industry leading company in water solutions. Working closely with agriculture to develop systems to collect and distribute water around farms. Rainwater harvesting is a great opportunity for many agricultural practices from spraying and irrigation to livestock herd watering and machinery cleaning.

**Talk on Rainwater Harvesting and respective grants (Talk Starts at 4:30).**

[info@jrhwatmanagement.co.uk](mailto:info@jrhwatmanagement.co.uk)

# Leam Catchment Farmer projects and funding event

## Catchment Sensitive Farming

Get support from your Catchment Sensitive Farming (CSF) farm adviser for:

- Guidance on funding & countryside stewardship
- Visits from agricultural specialists
- Farm events & training
- Agri environment schemes
- Local Nature Recovery Strategy

[csf.severn@naturalengland.org.uk](mailto:csf.severn@naturalengland.org.uk)

## Butterfly Conservation

**A world where butterflies and moths thrive and can be enjoyed by everyone, forever.**

Butterflies and moths are a vital part of our wildlife heritage and are valuable as sensitive indicators of the health of our environment. Butterfly Conservation Warwickshire offers free farm advice visits.

[www.Warwickshire-butterflies.org.uk](http://www.Warwickshire-butterflies.org.uk)

## Forestry Commission

Protecting, expanding and promoting the sustainable management of woodlands.

### England Woodland Creation Offer (EWCO)

Support to create new woodland, including through natural colonisation, on areas as small as one hectare. You could receive over £10,000 per hectare to support your woodland creation scheme.

[Andrew.Walton@forestrycommission.gov.uk](mailto:Andrew.Walton@forestrycommission.gov.uk)

Our purpose is to champion British agriculture and horticulture, to campaign for a stable and sustainable future for British farmers and to secure the best possible deal for our members. [www.nfonline.com](http://www.nfonline.com)

## Banbury Ornithological Society Curlew Recovery Project

Working to survey and protect Eurasian Curlew in the Upper Thames region and surrounding areas. We are always keen to hear about your sightings.

[janguilbride@hotmail.com](mailto:janguilbride@hotmail.com)

## West Midlands Ringing Group

Helping to monitor farmland bird numbers and baseline populations to support funding bids. Available for farmland bird surveys using thermal imagery. Also work with partners to create wetland habitats to support birds. [Wmrg.contact@gmail.com](mailto:Wmrg.contact@gmail.com)

## Natural England

Natural England is committed to plan and deliver measures towards cleaner air and water in urban and rural landscapes, protection of threatened sites and species and create new and richer wildlife habitat through sustainable approaches to farming, forestry, land use and fishing.

Working to help deliver Local nature Recovery Strategy, Biodiversity Net Gain and Environmental Land Management.

[www.ask.warwickshire.gov.uk/bi/nature-recovery](http://www.ask.warwickshire.gov.uk/bi/nature-recovery).

## Catchment Based Approach

### Love Your Warwickshire Avon

We are the Warwickshire Avon Catchment Partnership - a partnership of people who care about the River Avon catchment and are actively working together to restore it to a more natural condition. We help to plan and support delivery of projects.
